Commissioner:

This is a notification that the assignee was a large entity at the time of, and at all times, since filing of the subject application. The failure to advise the Office that this application qualifies for large entity status and to pay the large entity fees arose because of a misunderstanding on the part of applicant's below noted attorney and, therefore, the error is excusable under 37 CFR 1.28(c). The attached Exhibit A is an itemization of the deficiency of the payments in this application to date.

Pursuant to 37 CFR § 1.28(3)(i), enclosed is the deficiency amount of \$1552 between the amount of the small entity fees paid in the above-referenced patent application and the present amount applicable to a large entity.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by or to give effect to this paper to Deposit Account No. 03-1728. Please
